

JESPER HESSELGREN

ABOUT ME

I am a 24-year-old ambitious KTH student with a keen interest in technology, programming, entrepreneurship, and finance. I consider myself as ambitious, determined and as a good team player. I'm now looking for a summer internship/part time job to use my knowledge I gained from my studies and to learn and develop new ones.

TECHNOLOGIES

JavaScript, Node.js, HTML, CSS, React, Github, Git, Java, PostgreSQL

INTERESTS

- Entrepreneurship
- Programming
- Stockmarket
- Training
